

For over 80 years, Blue Star Mothers of America, Inc. has been supporting our men and women serving in the military, as well as their veteran brothers and sisters. We have proudly championed our sons and daughters, as they ventured far from home in service to our country.

We are ever aware that not every mother's child returns to her. We hold these mothers in our arms, giving them solace and comfort, letting them know that their child is not forgotten, their sacrifice is not in vain.

We all were given the honor and title of Blue Star Mother, even if that Star becomes Gold. We are all sisters in arms, we all share the same concerns for our military and veterans.

This lapel pin shows others that we proudly embrace our Gold Star Sisters and their families, just as they support our military members and veterans.

Sales of this pin will enable OH1 Spirit of Freedom to continue to support the mission of Blue Star Mothers of America, Inc. *"We support each other and our children while promoting patriotism. Our organization focuses on our mission every single day and will never, ever, forsake our troops, our veterans or the families of our Fallen Heroes."* OH1 thanks you in advance for your support.
